

Hints and Tips

BannerWeb

- Use the buttons at the bottom of the pages inside BannerWeb to navigate through registration forms. Do not use the back/forward buttons at the top of the page unless indicated.
 - Click on "BannerWeb Student Information System" in the menu at the top to go directly to the BannerWeb Student Information System.
 - On menus, click on the underlined words, not the blue dots. It may be necessary to scroll down or across to see all the information on the screen. Buttons which allow you to change menus or exit the system are at the bottom of the screens or on the left in the toolbar.
-

Registration

- Read the catalog- Do you know where to find the curriculum for your major?
- Read the Fall Line Connector- Do you know where the courses for your program are offered?
- Consider possible schedule conflicts - Consider family, work, and other time conflicts that may arise.
- Be prepared - Complete a sample Advisement Form before meeting with your advisor.
- Meet with your Advisor- During his or her office hours; meet with your advisor to schedule your classes.
- Register - If you have no holds, you may register online. Remember to check your financial aid status!
