- Construction Trades (Hancock County Center, STC Main Campus in Sandersville) Min Requirements: Specialized training in the teaching discipline and industry certification(s) and/or in-field work experience.

DESCRIPTION: Sandersville Technical College is continuously seeking qualified candidates for adjunct teaching positions. Adjunct teaching positions are temporary, part-time positions of employment appointed on a quarterly basis. Day and Evening hours are available.

EDUCATION/EXPERIENCE: Applicants for teaching positions are required to have a minimum of three years full-time experience in the field in which they are to teach and educational backgrounds specific to the course/programs being considered. Formal teaching certification IS NOT a requirement. Teaching positions in some associate degree programs require a minimum of a master's degree in the field or a master degree with at least 18 hours in the subject taught. Applicants for positions other than associate degree programs must hold a minimum of a baccalaureate degree from an accredited college or university in the teaching discipline or a related field. Preference will be given to applicants with a master's degree.

TERM OF EMPLOYMENT: Part time employment with no benefits. Salary commensurate with academic preparation and experience.

APPLICATION DEADLINE: Applications will be accepted on an on-going basis to establish an applicant pool and retained for one year.

HOW TO APPLY:

To apply, please submit letter of application, resume, Sandersville Technical College application and official copies of your college transcripts to the following address:
